

the best in every weigh

**Sasco Africa** is oldest industrial weighing company in Africa. The Sasco Africa brand is synonymous with the best products and service support, measured in every weigh.

### Products

The **Sasco Weighing Warehouse** is the leading supplier of all dimensions of the Tier I and Tier II industrial weighing products; from high-end, unmanned weighbridge and axle weighing systems to an array of standard products such as platforms and hanging scales.

All new project enquiries are managed by **Sasco Project Solutions** which comprises a team of weighing project and software specialists.

### Service Support

The Sasco product range is supported by a network of **Sasco Independent Accredited Repairer** companies, leaders in their own regional weighing service markets. A central customer call centre receives, directs and monitors all calls for the Sasco Independent Accredited Repairer network.

This extensive network of accredited companies, plays a fundamental role in the installation of new products and provision of outstanding sustainable service support. The network comprises over 30 branches, spanning key markets in South Africa, Swaziland, Botswana, Namibia, Zimbabwe, Zambia, Malawi, Kenya, Tanzania and Uganda.

The Sasco Independent Accredited Repairer companies are fully trained on the Sasco range of products, in structured programs run by the **Sasco Weighing Academy**, thereby raising technical skills and ensuring the highest level of service support.

### Sanas Verification & Calibration Service

**Sasco Metrology Services**, a level 4 BBBEE contributor, is the largest weighing verification company in South Africa and operates a fleet of road weighbridge, road rail weighbridge and rail weighbridge testing units on a national basis.
